EXPERIENCE

SUNBELT RENTALS (June 2017 – Current)

SAFETY, HEALTH, AND ENVIRONMENTAL (SH&E) SYSTEMS MANAGER Fort Mill, SC | May 2019 - Current

- Developed and implemented an organizational safety management system focused on human organizational performance and significant injuries, illnesses, and fatalities (SIIF) prevention for all North American (Canada & United States) operations leveraging ANSI Z-10 and ISO 45001 core elements
- Developed and implemented BCSP's Safety Trained Supervisor (STS) train-the-trainer program resulting in over 100 Safety Trained Supervisor (STS) certified frontline supervisors, earning Dimond level BCSP sponsorship
- Develop weekly safety topics, policies, procedures, job aids, and work practices focusing on building capacity in the safety management system to allow for human error without interrupting the intended outcome of the process
- Leveraging SharePoint out-of-the-box solution, designed and managed enterprise-wide safety intranet site

REGIONAL SH&E MANAGER Richmond, VA | June 2017 – 2019

- Directed SH&E initiatives (OSHA, EPA, DOT, and MSHA) for 72 locations in Delaware, Pennsylvania, Maryland, New Jersey, Virginia, and Washington, D.C., resulting in a 35% increase in SPI participation reducing incident rates by 20%
- Developed and implemented Safety Coordinator training focused on risk identification and reduction strategies to control exposures
- Led incident investigation for SIIF and non-SIIF events and represented the organization for all federal and state inspections
- Supported green field and acquisition integration developing a systems approach to facilitating cultural shift
- 80% of the time was in field locations mentoring branch managers and safety coordinators, traveling between locations daily

DONLEY'S LLC (September 2013 – June 2017)

MID-ATLANTIC REGIONAL SAFETY MANAGER Richmond, VA | September 2013 – June 2017

Notable Clients: University of Virginia Health Systems, AstraZeneca MedImmune, Duke University

- Led a team of four safety professionals across multiple states, Maryland, North Carolina, Virginia, and Washington, D.C.
- Worked directly with Vice President of Operations (one of five shareholders) to implement strategies focused on controlling exposures to SIIF, reducing the severity of injuries year over year
- Worked with clients to ensure process safety management (PSM) compliance
- Managed Contractor Controlled Insurance Programs (CCIP), earning profits on \$90 million from enrolled projects
- Claims management on projects enrolled in the CCIP equating to zero loss time incidents and an above national average CCIP fund retention rate
- Spent 60% of time visiting various projects daily, supporting project safety by coaching leaders of people and auditing for system gaps

MAROUS BROTHERS CONSTRUCTION (June 2005 - September 2013)

CORPORATE SAFETY DIRECTOR Cleveland, OH | November 2010-September 2013

Notable Clients: Cleveland Clinic Foundation, OHIO CAT, NASA, Northeast Ohio Regional Sewer District (NEORS), Chesapeake Energy Corporation

- Implemented a comprehensive training program, including a training record tracking system with 100% employee participation
- Conducted OSHA 10 & 30-hour training as a department of labor authorized outreach trainer
- Implementing a risk-based reduction strategy reduced workers' compensation rates by .25% in union and nonunion markets.
- Led a team of three safety professionals encouraging career growth through BCSP certification
- Contributed to Construction Manager client qualification for OSHA's *Voluntary Protection Program* (VPP) site at A.J. Celebrezze Federal Building in Cleveland, Ohio
- Spent 70% of the time in field locations supporting project safety, traveling between projects daily, coaching the coaches
